

JYOTISHA / VEDIC ASTROLOGY BASICS I BEGINNER CLASS

Penny Farrow

Saturday, February 1st &
Sunday, February 2nd 2020
9^{am} - 4^{pm}

The ancient land of India has nourished and transmitted its wisdom through the ages and given us the tools to understand the karmic “backpack” we bring into this life. This seminar provides an excellent foundation in Jyotisha and is suitable for both beginners and experienced students. It will serve as a pre-requisite for the rest of the series. Pre-study materials will be sent to registrants to prepare for the class. Course fee \$151.

Penny Farrow has a B.S. and M.S. degree from Cornell University. She has studied and practiced Jyotisha since 1991, primarily under the tutelage of Hart deFouw. As a teacher of both Jyotisha and Sanskrit, her ability to integrate and clearly explain the principles of Jyotisha has made her a popular presenter at seminars and conferences.
